

Nuevos recursos electrónicos de primera línea para los socios

Ya está a disposición de los socios del SMU el servicio electrónico MD Consult <<http://www.smu.org.uy/dpmc/biblioteca/md/>>, un recurso de consulta de primer nivel, que continúa el esfuerzo iniciado con el acceso a las revistas *Lancet*, *Jama*, *BMJ*, etc., y posteriormente a través de OVID y ProQuest.

Como los socios podrán apreciar en la larga lista que se publica a continuación, el Sindicato Médico del Uruguay realiza un gran esfuerzo al poner a su disposición, con acceso gratuito, las principales publicaciones científicas del mundo. Esto se inscribe en la preocupación, gremial ya tradicional, de las autoridades del SMU por brindar las mejores herramientas a nuestro alcance para que los médicos continúen su educación y los estudiantes cuenten con los mejores medios para capacitarse y continuar brindando respuestas actuales, de calidad, a las necesidades de la comunidad en la que actuamos.
